Please note that these selections are not guaranteed. The camp will tell you when you arrive if you'll be able to work on these badges. If not, you will be given a chance to sign up for other badges. We are signing up early so we're hopeful that the selections will work out as planned.

You must bring proof to summer camp that you have completed any pre-requisites. This is very important since the camp will only provide a partial merit badge if you can't prove you have completed the pre-requisites.

Please complete and submit by one of the following methods on or before April 5:

- send by e-mail to steinaz@sbcglobal.net or
- provide a hardcopy of your choices at the April 5 troop meeting
